

BlackPoint Editions Price List

Revised September 1st, 2007

Print

We make prints using Modified Epson 9600 Printers. Our color machines are running Epson's latest Ultrachrome K3 inkset, and our Black & White machine is running the Piezography K7 Neutral seven tone monochrome inkset. We create custom profiles for all of our papers using a Gretag-MacBeth Spectrophotometer. We usually print on the following media, but others can be used upon request. Custom profiling charges for requested papers may apply. Tax is not included in the prices below.

	Printed Image	Requested White Space
Hahnemühle Photo Rag 308 gsm	\$22 per square ft.	\$3 per square ft.
Hahnemühle Photo Rag Pearl 320 gsm	\$22 per square ft.	\$3 per square ft.
Epson Premium Luster 265 gsm	\$20 per square ft.	\$2 per square ft.
Epson Premium Semimatte 265 gsm	\$20 per square ft.	\$2 per square ft.

***Proofs are billed at the same per square foot price as finished prints.**

Scan

Our scans are made on one of three machines: a Scanview Scanmate 11000, a Scanview Scanmate 4000, or a Heidelberg Tango. Each scanner has unique qualities that lend themselves to certain applications, which is why we've got more than one. We don't include dust cleanup in the initial price, however each file is opened after scanning to ensure that it's sharp and free of air-bubbles. For full cleanup on a scan, please add 10% to the base scan prices, which are as follows, and do not include tax:

Format	Under 100MB	100MB - 250MB	250MB+
35mm	\$40.00	\$50.00	\$75.00
2 1/4	\$50.00	\$75.00	\$100.00
4"x5"	\$75.00	\$100.00	\$125.00
8"x10"	\$100.00	\$150.00	\$200.00

Help

For all technical work and assistance including color correction, custom visualization, dust spotting, profile creation, travel time, shipment packing, and general consultation we charge \$65.00 per hour. Since this is a service fee, no sales tax is applied. Other miscellaneous charges are as follows, and do not include tax (which is applicable):

Disc Burning	\$5.00 per disc
Shipping Tubes	\$20.00 per tube
Glassine Envelopes	\$.50 per envelope
Glassine Sheets	\$.25 per square ft.
